The ARC Centre of Excellence for Coherent X-ray Science (CXS) has used reasonable endeavours to ensure that material contained on this web site was correct at the time the relevant page was created, modified and published.

However :

- CXS gives no warranty and accepts no responsibility for the accuracy or the completeness of the material;
- no reliance should be made by any user on the material, but instead the user should check for confirmation with the originating or authorising faculty, department or other body;
- and CXS reserves the right at any time to make changes as it deems appropriate.

If you believe copyrighted work is available on CXS network in such a way that constitutes copyright infringement, or a breach of an agreed license or contract, please notify us.

- Your notification must include sufficient information to enable us to identify the copyrighted work that is the subject of the claimed infringement or, if multiple copyrighted works are involved, a representative list of such works and;
 - information reasonably sufficient to permit us to locate and access such material and;
 - information reasonably sufficient to permit us to contact you, such as your name, address, telephone number and email address.
- An indication of whether you are the owner of the content, or if you are acting on their behalf. Details of all parties must be supplied including the relationship between them.
- Indicate what law (including country) is being transgressed.
