As a user of the ARC Centre of Excellence for Coherent X-ray Science (CXS) web site, your privacy is protected by the *Information Privacy Act 2000* and the *Health Records Act 2001*.

All information collected by CXS is governed by the [University of Melbourne's Privacy Policy](#), for more information please contact the [Privacy Officer](#)

.

For specific information relating to staff and students at the University, please contact the [University Privacy Officer](#)

.

## Freedom of information

Under the Victorian Freedom of Information Act (No. 9859 of 1982), you have general rights to request information held by the CXS.

Our [Freedom of Information](#) web page outlines the FOI Act, your entitlements and responsibilities, and how to apply for access to University of Melbourne documents.
