### **APPLICATIONS CLOSED**

The ARC Centre of Excellence for Coherent X-ray Science (CXS) Top-Up Scholarship and Travel Awards are available to CXS members who are studying at one of the CXS partner institutions:

- The University of Melbourne
- La Trobe University
- Swinburne University of Technology
- Monash University
- Griffith University
- CSIRO

### **CXS Top-Up Scholarship**

One CXS Top-Up Scholarship is available per year to a high quality student who is a CXS member currently receiving a scholarship from their university and can demonstrate via their application that they are taking steps to further their career. Submission will be assessed on the criteria set out below:

- The quality and relevance of the students work
- The alignment of the students work to CXS research and mission
- The quality and prospects of the student: course marks, papers, presentations, publications etc.

Please submit your application form, Academic transcript and any other supporting documentation by close date 12 July 2011.

### **CXS Travel Award**

The CXS Travel Award is offered to assist students who have undertaken to present at a national or international conference, conduct research or, in some cases, to promote CXS activities and facilitate workshops.
